We Are Just Steps Away from a New ED!

PROJECT COST: \$25 MILLION

Construction Begins Early Next Year!

More people are relying on Methodist for their emergency care than ever before. We have seen a 20% increase over the last five years. It's time to rebuild our facility and reimagine how treatment is delivered.

We are partnering with the public to meet the community's needs:

- Expanded geriatric care for aging baby boomers
- Improved ambulance access
- Safer environment for mental health patients
- More room to innovate
- Specialized space for victims of sexual assault, domestic violence and human trafficking

When completed, the Methodist Hospital Emergency Department will have twice as much space.

- Patient Rooms:
From 12 to 24
- Square Feet:
From 11,520 to 24,500
