**Our Mission**

To improve the quality of life by supporting excellence in health care and health care education provided by Methodist Health System.

**Greatest Need**

Support the NICU Expansion at Methodist Women's Hospital

More families rely on Methodist to provide critical care for their babies than any other medical facility in the region.

Right now, our NICU is exceeding capacity 68 percent of the time. The Everyday Miracles Campaign will allow us to expand from 28 beds to 51, add lifesaving technology and include more family space.

---

**Taryn**

Born 14 weeks premature at 1 pound, 15 ounces, Taryn fought to survive.

After just 76 days in the NICU, Taryn is visibly improved and went home 2.5 weeks before her due date.
With your help, Methodist Hospital Foundation can show our patients and our community that others care.

We are able to provide support in these five areas because generous donors like you are willing to make a difference.

The people pictured here – and 40,000 others each year – are grateful for your support.

**CANCER CARE**

Join the fight against cancer

- Cancer survivorship programs to support physical, mental and emotional healing
- Innovative research
- Treatments for patients who struggle financially

**CHARITABLE CARE**

Lend a helping hand to patients with financial challenges

- Free professional counseling for children and their families
- Health care for the underserved
- Specialized care for domestic violence and sexual assault victims

**COMMUNITY SERVICE**

Support your local community

**EDUCATION**

Train current and future health care providers

- Scholarships and grants
- Academic research and learning resources
- Continuing education for Methodist employees

**CAPITAL PROJECTS**

Shape the next generation of care at Methodist

- Cutting edge technology and advanced tools
- Modern healing environments
- Renovated and expanded facilities
